## NOTE FROM PRESIDENT HELLENA SMEJDA

2012 will be another great year for STRIDE, with many opportunities to learn, show and socialize.

Our January meeting was inspirational and fun. We had a full house at Ruby Tuesday's. It was wonderful to "meet" everyone as they made a brief introduction about themselves and their horses and Dressage goals.

Copies of the Omnibus were on each table, and Loretta Lucas and Charlotte Trentelman explained the changes this year. By now, you've probably heard that we have added 6 classes in Western Dressage, as well as the USEA test-of-choice. We've also raised the class fees by \$5 -- something that had not been done for over a decade. Our shows are still the least expensive in the area, and are very well run.

Our 50:50 pot collected \$45, and drawing winner Ellie Metelits graciously donated her half, too, to the horse protection group to be chosen later. Any suggestions?

As we enter our show season, please consider volunteering if you have some time. It takes more than two dozen volunteers to staff each show:

- 2 SCRIBES - one for each judge
- 2 RUNNERS to get score sheets from judges to office
- 2 Gate stewards – one for driving arena, one for riding arena
- 1 Cones designer
- 2 Cones setters for cones class (they also measure wheel base of carriages)
- 1 Timer/Scorer for cones arena
- 2 Cones setters for Dressage by the Letters
- 2 Volunteer judges: one for or trails class, one for Dressage by the Letters
- 1 Timer/Observer for Dressage by the Letters
- 2 Jump setters for Prix Caprilli
- 4 Test scorers (2 in AM and 2 in PM)
- 1 Stable manager
- 1 Show Manager
- 1 Assistant Show Manager
- 1 Volunteer Coordinator

Total: 25 volunteers! This is in addition to our paid Show Secretary, Dibbie Dunnam. STRIDE Vice President Irene Gentile is the Volunteer Coordinator. You can reach her at (352) 245-2730 or pinkwoman55@aol.com. We appreciate your help.

Our February and March general membership meetings will focus on us humans, rather than our horses. As usual, we'll meet at Ruby Tuesday's from 6:30 to 8:30. On Tuesday Feb 21, STRIDE member and show competitor Dr. Mary Barber will talk about skin cancer diagnosis and the latest treatments. The good news is that early detection makes a huge difference. She'll have handouts and explanations, so bring your questions. The next month, on Tuesday March 20, Jael (from Jael Yoga in downtown Ocala) will show core strengthening to prevent injuries and improve your effectiveness. Jael was a jockey for 25 years and drove carriages in New York's Central Park, and now she also works with Bob Giles training driving horses. Mark your calendar, and invite a friend.

Hope to see you soon!

Hellena

## DID YOU KNOW?

Our new President, Hellena Smejda hails from Venezuela, Canada and the USA, and she speaks four different languages! Hellena currently has a marketing business and lives in Ocala. However, prior to coming to Florida, Hellena lived in the Chicago area where she was editor of the Illinois Dressage and Combined Training Association's (IDCTA) newsletter and formed the Southwest IDCTA group. She has been a member of STRIDE since 2004, and has served as STRIDE Membership Secretary, Treasurer and Ad Manager. Hellena rides her gelding, Lectric, and drives his dam, Estrella.

## NEW FACEBOOK PAGE

STRIDE has a new Facebook page! According to its creator, Staci Sperandeo, almost 40 people have 'liked' the page since its debut on January 27. Staci said that creating the page took only a few hours over several days, and that she enjoyed using her creativity while helping to promote STRIDE and its mission.

Many thanks to Staci for her ingenuity and initiative. To view the page, go to [www.Facebook.com](http://www.Facebook.com), sign in, and search for "STRIDE Dressage of Ocala, FL". Be sure to send a Friend request so you will be added to the notifications.

## WESTERN DRESSAGE CLASSES ADDED TO OMNIBUS

So what is 'Western Dressage'? It's gaining momentum in the riding world as a way for traditional western riders to feel more comfortable trying classical dressage moves on a horse. Western tack is used; however, a snaffle bit can be used in the bridle. To that end, STRIDE has added six (6) new classes to its show omnibus. The classes include:

Basic Level Test 1 (AA/JR/Open)  
Basic Level Test 2 (AA/JR/Open)  
Primary Level Test 1 (AA/JR/Open)  
Primary Level Test 2 (AA/JR/Open)  
Primary Level Test 3 (AA/JR/Open)  
Primary Level Test 4 (AA/JR/Open)

The 2012 STRIDE omnibus gives judging guidelines and resources for tests and attire required. Immediate past President Vickie Rollack will answer any questions you may have about showing in these classes, and how it works. Email her at [vickier352@aol.com](mailto:vickier352@aol.com), or call 352-425-4000. Meanwhile, Vickie recommends this great link to a demo video of Western Dressage: [http://www.youtube.com/watch?v=Mb1ihEhvsQs&feature=youtube\\_gdata\\_player](http://www.youtube.com/watch?v=Mb1ihEhvsQs&feature=youtube_gdata_player). Come out and try something different!

## FEBRUARY 19 SCHOOLING SHOW

STRIDE's first schooling show of the year is Sunday, February 19, at the Florida Horse Park. **Closing date** for registration for this show is **Monday, February 7, 2012**. Bring your horse and friends, and enjoy a great day in the park. See **page 4** for the new omnibus and registration forms.

## CLASS DESCRIPTIONS AND SCORING

---

### RIDDEN DRESSAGE CLASSES:

- Introductory Level Classes** are for riders and horses that are beginning in dressage competition. Tests for Novice Intro Division require showing at the walk and trot only using current USDF (2011) Introductory Tests A and B. Open Intro Division will use USDF 2011 Introductory Tests A, B, and C.
- Training through Fourth Level Classes** will use 2011 USEF tests. For tests **above Fourth Level**, current FEI tests will be used.
- Freestyle, Pas de Deux and Quadrille** will use current USDF or USEF/FEI rules and guidelines for scoring and test requirements.
- Western Dressage:** Western Dressage will use current USEF/Morgan Club tests. USEF/Morgan Club rules will be followed with the following exceptions:
  1. ASTM approved helmets are required for all riders
  2. Tests may be called
  3. Small arena (20mx40m) may be used for Basic level tests.
  4. In addition to the bits listed in the Morgan rules, any snaffle bit legal under USDF rules is permitted
  5. Snaffle bits may be used with horses of any age

The Western Dressage classes will offer ribbons through 6th place and Daily Championship/Reserve Championship if there are more than three entries. Year-end awards in Western Dressage will be offered, following the same eligibility requirements as Traditional Dressage.

Western Dressage competitors may enter any Versatility class and will be pinned separately from Traditional Dressage competitors. Year-End awards in Western Dressage Versatility will be offered, following the same eligibility requirements as Traditional Dressage.

Competitors should carefully review:

- The USEF Western Dressage rules at USEF.org rulebook MO132 and MO 177-195 and the Western Dressage Judging Guidelines.
- Western Dressage tests can be downloaded from the [Western Dressage Association](#) and the [USEF](#) websites
- Note STRIDE exceptions to USEF rules MO188.4 and others listed above.

### DRIVEN DRESSAGE CLASSES:

- Training Level, Preliminary and above** will use American Driving Society (ADS) tests. Drivers wishing to drive tests other than those published by ADS must furnish a copy of that test with entry form.
- All tests are conducted in 80mx40m arena.**

### VERSATILITY CLASSES:

- Prix Caprilli:** A dressage test that includes a few low jumps . PC 1 is W/T. PC 2 is WTC.
- Trail (Ridden or Driven):** A ridden or driving class consisting of typical trail obstacles such as a bridge, gate, mail box or ground poles. A score of 0 to 5 will be given for each obstacle where 0 = not performed and 5 = excellent.
- Dressage by the Letters (Ridden or Driven) [WT or WTC]:** A speed or gymkhana type class where the horse and rider/driver must go from dressage letter to dressage letter marked with sets of cones, in alphabetical order. All the dressage letters will be used including the center letters. Time begins when rider/driver enters the ring at A and time ends when rider/driver exits the ring at A. NO CALLERS are permitted. Any gait may be used except for Intro riders where canter will be cause for elimination. Five seconds will be added to the time for each cone knocked over. Fastest time wins. Gate widths are set at 180 cm.

- **Dressage Equitation (WT):** A group class where the rider only is judged on dressage equitation, position and effective use of the aids.
- **STRIDE Medal Class (WTC):** Judged only on rider's equitation and effectiveness of aids. The highest test of each level (Training 3, First 3, Second 3, Third 3, Fourth 3) will be ridden separately from the test where the CCU is judged for dressage. Riders must enter only consecutive test levels (Training/First or First/Second, not Training/Second) and can ride only one Medal test per show.
- **Cones (Driven):** A driving course is set up with start and finish gates between which obstacle gates are set on course at certain distances and angles from one another to be driven in numerical order and in specified direction. Gates are set at specific widths and marked by cones topped with weighted balls. For every ball dislodged from its supporting cone, a 3 point penalty is charged. Five (5) additional penalty points will be added for each run out or disobedience. **TIME ON COURSE BREAKS ALL TIES.** As a safety caution, drivers are encouraged to maintain gaits well within their control margins. Canter on course is optional, drivers having a clear understanding that cantering increases the risk of penalties accrued. **For cones clarifications**, contact Charlotte Trentelman, 352-629-6729, or [rebelridge@aol.com](mailto:rebelridge@aol.com)

Competitors not notifying the show manager prior to this time can only be considered for a refund (voucher) upon petition to the show manager and STRIDE Board. **Cancellations:** In case of impending severe weather such as a hurricane, a committee consisting of the President and Show Manager may cancel a show. **ANY CANCELLATION WILL BE POSTED ON OUR WEBSITE, AND/OR ON THE ANSWERING MACHINE OF THE VICE-PRESIDENT BY 7PM THE NIGHT PRECEDING THE SHOW.** The show will be rescheduled at a later date, not necessarily at the same venue. Competitors will be credited for their ride/drive fees. **STALL FEES/GROUNDS FEES WILL NOT BE REFUNDED.**

**Weather Delays:** In the case of severe weather such as rain, thunder, lightning or hail, the Show Manager on site may call for a delay of the show without consulting other committee members. NO REFUND OF ANY KIND WILL BE MADE.** If the show cannot be resumed due to unsafe weather conditions, it will be rescheduled at a later date, not necessarily at the same venue, to be determined by the show committee. **STALL FEES/GROUNDS FEES WILL NOT BE REFUNDED.** Stall fees/grounds fees owed to alternate venue are the financial responsibility of the competitor.

**NSF checks** subject to \$40 recovery fee added to check amount plus all bank fees.

**Competitors owing revenues** to STRIDE Show Management (including stall clean up fees) will be barred from further showing until such debts are paid in full.

# HOW TO WIN A STRIDE YEAR-END CHAMPIONSHIP AWARD

## Eligibility for STRIDE Year-End Championship Awards (YEAs)

**Rider/Driver must be a STRIDE member at the time of the show in which scores or points are earned.** Membership begins September 1 of each year. If membership fee is paid at the show, be sure to fill out the membership application at that time. Without a complete membership form on file at the time the scores are earned, you are not considered a member. STRIDE needs a reliable record of member's contact information and liability signature.

**Rider/Driver/Horse Competition Combinations are considered unique Competition Combination Units (CCUs).** Scores earned by one CCU are not transferable to any other CCU.

**Every CCU must enter classes at a level/division at least three 2011 STRIDE Schooling Shows for scores or points to count toward YEAs for that level/division.** *Note: scores earned at any other venue are not eligible to be counted for STRIDE YEAs.*

**A CCU's YEA eligibility is determined by its rider's or driver's Competition Status during the 2011 show year:** Adult Amateur (AA), Junior/Young rider (JR/YR), Professional (Open), and Novice (NR), and the horse's competition Status in the case of Novice Horse Intro Division (NH).

**YEAs are awarded at each level and division based on the average of the highest required scores.** Note:

- A CCU having won a level/division YEA in previous years is no longer eligible to win that YEA award.
- A CCU having won a level/division YEA may still compete at individual shows at that level/division and retains eligibility to win level/division championships at future Schooling Show Series shows.
- If the CCU has won the level/division YEA as a JR or AA, that CCU may still compete for the YEA OPEN championship award at the same level by entering and competing in the Open classes.
- If the CCU has won a YEA Open Championship at a level, that CCU is not eligible to win as a JR or AA at the same level.

**Ridden awards are determined by combining a Rider's Competition Status plus one USDF/USEF test level:**

- Recognized **rider** status: Novice Rider (NR), Adult Amateur (AA), Junior (JR), Professional (Open)
- Recognized **horse** status: Novice Horse (NH) (For Intro Novice Horse Championship only)
- Recognized **test levels:**
  - USDF 2011 Introductory Level Tests A & B (only)
  - USDF 2011 Introductory Open Level (Tests A, B, and C)
  - USDF 2011 Musical Freestyles, Pas de Deux, Quadrille
  - USEF 2011 Training, First, Second, Third, and Fourth Levels
  - FEI (all tests)
  - Western Dressage Basic level
  - Western Dressage Primary Level

**Driven awards are determined by combining a Driver's Competition Status and Level, plus one equine classification:** HORSE, PONY and VSE (Very Small Equine 38" and under, as measured to the most distal hair in the mane).

**Versatility Awards:** See Versatility Section below.

**No "double jeopardy."** If you enter more than 3 shows and/or have more than the required number of tests, only the top 6 scores (three for higher levels) are utilized for YEA computations. For Ridden Dressage, those 6 scores must still include two scores from the top test in your level. For Driven Dressage, they must include scores from at least two different tests within your level.

**Junior riders** must retain their JR status until December 31 of the year in which they turn 21 years of age.

Although Adult Amateur and Junior riders may compete in **Open Classes** and win open division championships based on those scores, scores earned in Open classes will not count in AA or JR/YR YEA calculations.

## STRIDE Year-End Championship Awards

**Remember: to be eligible for Year End Awards, a CCU must have shown in at least three STRIDE shows at a level/division!**

### Ridden Dressage:

- 1) **Training or First Levels:** CCU must show in at least 6 classes. At both levels, CCU must have shown in Test 3 at that level at least twice.
- 2) **Second Level or above:** CCU must show in at least three classes. At Second Level and above, CCU must have shown in Test 3 at that level at least twice.
- 3) **Novice Introductory Level:** CCU must show in at least 6 classes and Intro B at least twice.
- 4) **Intro Open Level:** must show 6 classes and show Intro C (at least) twice
- 5) **Western Dressage:** CCU must show in at least 6 classes at a level. At both levels, CCU must have shown in the highest test at that level at least twice.

**Driven Dressage:**

- 1) **Training or Preliminary Levels:** CCU must show in at least 6 classes AND in at least two different tests within the level.
- 2) **Intermediate or Advanced Levels:** CCU must show in at least three classes AND in at least two different tests within the level.

**Versatility:**

- 1) **Intro Division (walk/trot):** Requires a total of 6 scores: 3 Base Scores\* from Ridden USDF Intro Classes, Tests A & B only (NR, NH) plus 3 scores from at least two different Versatility Classes. The Intro Versatility YEA is awarded to Walk/Trot only competitors.
- 2) **Ridden Dressage:** Requires a total of 6 scores: 3 Base Scores\* from Ridden Dressage Tests, (USDF Introductory Test C, Training Level and above) plus 3 scores from at least two different Versatility Classes.
- 3) **Driven Dressage:** Requires a total of 6 scores: 3 Base Scores\* from Driven Dressage Tests, plus 3 scores from at least two different Versatility Classes.

For the Versatility Championship, a CCU must have 3 Base Scores from either driven dressage tests or ridden dressage tests at Novice Intro, or Open Intro & above, or Training level and/or above as applicable. Additionally, CCU also must have placing points from at least three (3) Versatility Classes, two (2) of which must be from two (2) different Versatility Class Choices.

A CCU's three (3) best percentage scores in its dressage division constitute its base scores. Base scores (percentages) are converted to points and added to the points won in the three best versatility finishes. The CCU with the highest number of points is declared the winner.

There are ten (10) Versatility Classes from which to choose: Dressage Equitation (WT), STRIDE Medal (WTC), Trail (Ridden or Driven), Prix Caprilli (WT or WTC), Dressage by the Letters (WT or WTC, Ridden or Driven), Driven Cones. At this time, Dressage Equitation and STRIDE Medal classes are offered as Traditional Dressage only. Western Dressage competitors competing for Year End Versatility awards may enter Traditional Dressage Equitation or Dressage Medal classes in Traditional Dressage tack.

If CCU uses Driven Dressage for its Base, a Ridden (Traditional or Western) Dressage score may be used as one of its required versatility scores. If CCU uses Ridden Dressage for its Base, a Driven Dressage score may be used as one of its required versatility scores. Points for Versatility Classes are awarded to class placings as follows: First: 75, Second: 70, Third: 67, Fourth: 64, Fifth: 61, Sixth and below, including unplaced entries, 58 points.

A CCU cannot win more than one Versatility award in a given year.

**Most Improved Rider and Driver:**

- 1) **Most Improved Rider:** Training and above levels. This award will be determined by the largest increase in scores earned over time.
  - 2) **Most Improved Driver:** Training and above levels. This award will be determined by the largest increase in scores earned over time.

STRIDE Show Season – 2012

# GUIDELINES FOR JUDGING WESTERN DRESSAGE

*From the UNITED STATES EQUESTRIAN FEDERATION*

**“ON THE BIT” AND HEAD CARRIAGE:** Western Dressage horses are not shown with a draped rein; the rider maintains “light” contact with the horse’s mouth. The horse must show acceptance of the bit with a quiet mouth and a willingness to maintain light but steady contact with no resistance. The seat and legs move the horse forward into a “receiving” hand. The horse must take the contact on the hand, not the rider taking the contact on the horse. The use of hands on reins will actually vary from horse to horse depending on their level of “finish” but “constant bumping of the bit” and “a gaping mouth” are considered major faults. The emphasis is on a quiet mouth with head carriage that reflects the degree of collection and appropriate balance for the individual horse.

“Good hands” are very highly valued in Western Dressage. The concept of a “gentle correction” followed by an immediate very slight release of rein pressure, coupled with a slight half halt, results in a lovely, soft carriage of the head and neck and a happy acceptance of the Western bit.

The head carriage of the Western Dressage Horse is the result of the horse carrying his entire body in balance. Overall head and neck carriage should be in relationship to the individual’s natural conformation, showing the proper flexion of the poll and lightness of mouth achieved through proper training techniques which allow the horse to move in total balance and harmony. Judges should severely penalize any horse that carries its head below the withers or behind the vertical.

Pulling, jiggling, gapping, teeth grinding, and any other behavior that indicates an attitude that is not happy should be severely penalized.

A proper head carriage of the Western Dressage horse should give evidence of flexion at the poll with the front of the face being slightly ahead of, or on, a vertical plane to the ground. A horse showing at the lower levels of Western Dressage may carry its head somewhat ahead of the vertical showing a bit more relaxation and giving the overall impression of an individual just beginning in the discipline. The horse should be at, or in front of, the vertical at all times. Being behind the vertical is to be more penalized than a horse that is ahead of the vertical.

The manner in which the horse carries the bit also deserves attention. Ideally, he should pick the bit up and carry it quietly and comfortably in his mouth throughout all gaits with a minimum of adjustment on his part. Many curb bits have copper rollers, or “crickets,” on the port which are to encourage a horse to use his tongue and keep a flow of saliva going to ensure a responsive mouth. When a horse uses this roller in a normal manner, he should not be penalized for being fussy or nervous in the mouth as he is doing exactly what the bit was designed for. An overly anxious horse will display more obvious symptoms than just rolling the cricket and can easily be distinguished from the horse using the cricket properly.

In summation, the way the horse carries the bit and responds to the hands of the rider is of more importance than the height placement of his head and neck as it relates to his individual conformation. Horses should be faulted for gaping of the mouth, pulling or lugging down on the bit, cocking their heads in either direction, trying to evade or “spit out” the bit, constantly opening and closing the mouth, tossing the head, etc. A bleeding mouth results in elimination.

## **SADDLERY:**

**Bits:** Snaffle bits meeting the requirements of MO132.3 may be used on any horse in Basic and Training Level tests. The rider must use two hands with a snaffle bit. The use of a curb bit meeting the requirements of MO132.2 may be used on any horse of any age at either level. Riders may use either one or both hands with the curb bit but may not switch back and forth within the same test. Hackamores and cavessons are not permitted in any level in any test.

**Saddle:** any standard Western Stock Saddle to be used. (Silver equipment will not count over a good working outfit)

**Warm-up:** Restrictions in warm-up areas are similar to the open Dressage (DR) Division rules other than saddlery. For specific restrictions refer to MO189

**ATTIRE:** Refer to Morgan Western Pleasure Appointments and Attire --MO132

**TESTS:** Calling of tests is permitted regardless of test or level.
